Japan Launch Pilot

CONNECT & FULFILL

Find your audience in Japan. Explore new ways to earn.

For artists, models, streamers and VTubers ready to explore Japan. Work with a local partner to test what connects and what can generate revenue.

Understand the response. Decide your next step with evidence.

1 Get discovered in Japan

Use your existing work, photos and videos. We adapt the message for Japanese audiences.

2 Build fan relationships

Connect through replies, questions and streams. Give people a reason to return and support you.

3 Test sales and paid work

Choose one offer: paid content, merchandise, memberships or a brand opportunity. Track results.

First pilot: one partner over a proposed 8–12 weeks. You supply and approve materials.
Initial consultation is free. We agree scope, costs, revenue share and case-study use before starting.

Let’s explore your opportunities in Japan.

contact@connectandfulfill.com

Duration and terms are proposals. Outcomes are not guaranteed. Image is an illustrative concept.

Timeline from inquiry to launch and review

Proposed launch: about 2 weeks after first contact. Core support is free for 8 weeks after launch.

Artist / Creator	Timeline and checkpoints	CONNECT & FULFILL
Share your activity, work links and goals for Japan.	**Week 0: consultation and participation**	Review your activity and existing contacts. Discuss whether the pilot is suitable.
Supply materials and your profile. Agree material rights and pilot terms.	**Week 1: planning and materials**	Set goals around content, products and channels. Begin creating content for Japan.
Approve posts. Help with introductions and short videos.	**Week 2: first post and launch**	Publish the first post and check inquiry links. Plan direct interaction, including live streams.
Review and share materials about once a week. Confirm your availability for live streams and interaction.	**Weeks 3–6: 2–3 posts/week** **Review 2 & 4 weeks after launch**	Generally post every 3–7 days. Improve content and response pathways.
Share engagement, purchase and inquiry data.	**Weeks 7–9: 2–3 posts/week** **Review 6 weeks after launch**	Run live streams and other direct interaction. Track revenue and costs.
Review results. Choose to continue, change or stop.	**Week 10: 8 weeks after launch** **Free pilot ends**	Report engagement, purchases, inquiries and project income and costs.

Week 11 onward: continued support is paid

You review and choose the scope and quote. C&F proposes fees and a plan. Work starts after agreement.

Timing and post volume are proposals, subject to materials and approvals. Core pilot support is free. Ads and sales fees are separate.

Photo/video shoots and visit projects in Japan are available for discussion. Availability and fees require a separate quote.
